

2018 Queen of Angels Summer Reading Lists  
Grades 2 and 3  
Catch the Reading Bug!

Summer reading allows children to choose whatever book they want which helps instill a love of reading for recreation. Kids who read for fun often out-perform children who do not read. Therefore, we encourage all students at Queen of Angels to stay active in their reading over the summer. This reading list is designed to be a guide for families to discover and identify age appropriate books to enjoy together. The books on the list are available at the public library or local bookstore. Please remember other books by the same author if the suggested book is not available.
